Last year 42 calls, this year 75. That is a huge increase!

As your Fire Chief, I am asking again for residents to give serious thought to helping your Fire Department and Town by volunteering to your Fire Department. The eight members would appreciate your help.

As you can see from the call list we assisted Stockton Springs ambulance 18 times. They came here many more times than that. Many Thanks

Our Halloween Fire Prevention program was very successful with about 75 trick or treaters. Many from surrounding towns along with kids were also some adult kids. Lots of fun for all.

Remember play safe and call us if you need help.

Sincerely,

Tim Terry, Fire Chief

Stockton Springs Ambulance Yearly Report

To the Citizens of Prospect,

The past year has seen a slight decrease in ambulance calls. Total calls for the year were 255. The breakdown is as follows. Stockton Springs had a total of 120 calls, Prospect calls numbered 67, that's down 18 calls from the previous year, no transports were up with a total of 53, and mutual aid calls totaled 15. Included in the Prospect total is a number of calls to Fort Knox and the Penobscot Narrows Bridge.

This winter has afforded us plenty of snow and ice. As I stated in last year's report, please try to keep an open access to your residence, so if you need the ambulance, we can get to you in a timely and safe manner.

Stockton Ambulance did get a new Ferno Power Stretcher last year. This new addition has proven very beneficial to us, in reducing the risk of back injuries to the staff. I did bring the stretcher to your Fire Department and did a training session with them. And we are very grateful for all the help your Fire Department gives us when we request assistance.

Again this year we will be watching every dollar we spend, but rest assured we will continue training and be there when you need us.

Respectfully Submitted, Charles (Chas) Hare Stockton Springs Ambulance Director
